SUVO DEV NATH

Web Developer

Sylhet, Bangladesh | suvodevnath123@gmail.com | LinkedIn | Github | +880 1736-449874

SUMMARY

Web Developer with expertise in modern front-end development using React and scalable UI architecture. Skilled in building responsive, high-performance web applications with clean, maintainable code. Comfortable working across the stack and translating real-world requirements into practical, user-focused solutions.

PROJECTS

➔ **HyperCampus — Learning Management System** *[React, Tailwind CSS, JavaScript]*

- Developed a responsive LMS platform enabling users to browse courses, enroll, and track progress.
- Implemented dynamic React components with Tailwind CSS, featuring course creation, content management, and progress tracking.
  GitHub Repository

➔ **University Project Management System (Academic Project)** *[HTML, CSS, Bootstrap, PHP, JavaScript, SQL]*

- Developed a web-based system for managing 3rd and 4th-year university student projects.
- Implemented project registration, team assignment, and progress tracking using PHP, SQL, and Bootstrap.
- Improved project organization and accessibility for students and faculty.
  GitHub Repository

➔ **Service Hiring Web App** *[React, JavaScript, CSS]*

- Built a responsive web application for hiring plumbers, electricians, and mechanics.
- Designed a **component-based architecture** to ensure scalability and reusability.
- Implemented a clean and intuitive UI for a seamless user experience.
  GitHub Repository

➔ **E-Commerce Website** *[HTML, CSS, JS]*

- Developed a **fully responsive e-commerce site** delivering a seamless online shopping experience.
- Implemented product listings, shopping cart functionality, and a modern UI for improved user engagement.
  GitHub Repository
